10. Reflection

Open answers — any thoughtful response counts.

For the teacher

Purpose: paper practice for Tú commands, built for a Spanish 2 review — affirmative and negative forms side by side, including all eight irregulars in both forms. Timing: about 40 minutes. Tip: have students chant the eight irregulars (di, haz, ve, pon, sal, sé, ten, ven) before exercise 1, and point out that the word “no” is the only clue they need in exercise 6.
